Dear 4-H members and families,

100 Community Service Activities for 100 Years

The Manitowoc County 4-H Leaders Association has set a goal to complete 100 Community Service Activities countywide as one way to show the impact of 4-H in Manitowoc County and to celebrate the 4-H Centennial. The Essential Elements in 4-H are Belonging, Mastery, Independence, and Generosity. The element of Generosity means giving back to members in your family, 4-H club, or community. We already know that 4-H members participate regularly in community service activities through their club or with a committee. This year we would like to step up that effort and really focus on Generosity. There will be opportunities to help with countywide community service activities as well. The first countywide community service activity will be a blood drive on June 11 from Noon – 6pm at the Manitowoc County Office Complex. The goal is “100 pints for 100 years!” Please help recruit parents, relatives, and friends to give blood on June 11 and help us reach our goal. Donors need to be at least 16 years old (with parent permission) and any donor who tries to give a pint of blood will receive a coupon for a pint of ice cream from Culver’s. Any 4-H member who recruits someone to give blood will receive a prize. We also are in need of volunteers for the event. If you can help, please let me know – kevinpalmer@co.manitowoc.wi.us or 683-4172. We plan to track all of our community service activities for this year as well. As your club completes a community service activity, please let me know.

Area Animal Science Days

Manitowoc County will be hosting Area Animal Science Days this year on June 19 at Manitowoc County Expo. The last time the event was hosted by our county was in the 1980’s. What is Area Animal Science Days? It is a regional event (22 counties participating in our region) to increase the availability of educational opportunities in the 4-H Animal Science Projects. Youth participate in the event as individuals and team members and judge and grade dairy cattle, beef cattle, sheep, swine, goats, and horses. Area Animal Science Day events offered in Manitowoc County include: Dairy Cattle Evaluation, Dairy Showmanship Contest, Dairy Poster Competition, Meat Animal Evaluation, Horse Judging Workshop, Hippology, Horse Poster and Photography Contests, Rabbit Art, Photography and Poster Contests, and Poultry Art, Photography and Poster Contests. For more information, please visit the Manitowoc County UW-Extension website http://manitowoc.uwex.edu/ and look under 4-H Youth Development and Area Animal Science Days.

**4-H & Youth Conference in Madison June 23-26**

**2014**
2014 FAIR INFORMATION

Date: August 19-24
Theme: Showcase of Summer - Celebrating 100 Years of 4-H
Colors: Kelly green, white, and royal blue
Junior Fair Registration Deadline: June 15
Open Class Registration Deadline: July 15

JUNIOR FAIR REGISTRATIONS ONLINE

All Junior Fair exhibitors must register their exhibits online for the 2014 Manitowoc County Fair. Information on how to register will be sent to 4-H main club leaders.

ATTENTION ANIMAL EXHIBITORS

Exhibitors bringing animals to the county fair must follow the Animal ID Check-in rules posted on the Expo website.

A completed Animal ID & Vet Check-in Form and required health papers must accompany your animals when they arrive at the fair. Failure to comply may result in your animal not being allowed on the fairgrounds.

2014 CLOTHING REVUE

The Clothing Revue will be held at the county fair again this year. All you have to do to register is to include your Revue articles (limit of 2) on your Junior Fair entry blank and be ready to model your garments on Monday, August 18, at 6 p.m. Clothing Revue rules and classes are found in the fairbook under Department 26 on the Expo website.

CEedar PLANTERS

For clubs that sponsor one of the cedar planters that enhance the Expo grounds during the fair, remember to plant them early enough so they look their best by fair time. The guidelines for the planters are on the Expo website.

PROJECT MEETING SCHEDULED

Sunday, May 11
1 – 3 p.m.
LondonDairy Alpacas

We’ll be discussing fundraising, choosing alpacas for county fair, and the LondonDairy Alpacas Open House. Please bring your book and dress for the weather.

LondonDairy Alpacas Open House
6827 Hwy 147, Two Rivers
Sunday, May 25th
10 a.m. – 3 p.m.

Bring the whole family out for a day at an alpaca farm. You’ll see spinning demonstrations and have the opportunity to hug the animals!

A folk singer, unique cottage industry vendors, refreshments and more will be part of the activities. Alpaca project members will conduct a bake sale and will be leading alpacas throughout the grounds.

We are reaching out to help our local food pantry by accepting donations of food at the gate. Please help us to help others in need with a canned donation or dollar donation upon entry.
The Wisconsin Junior State Fair requires counties to identify managerial animals for those cattle to be eligible for exhibit at the 2014 State Fair. If you participated in the managerial program for the current year and intend to show a managerial animal at this year’s State Fair, your completed managerial forms need to be sent with State Fair paper form entries before June 4 or with online entries June 18.

One objective of the Dairy Managerial Project is to provide the opportunity for non-farm youth and youth from farms with non-registered cattle to work with registered dairy cattle. Another is to develop character, knowledge, and a sense of responsibility in 4-H participants.

If you are interested in participating in a managerial project for 2014-2015, the “Junior Livestock Managerial Project Agreement” can be downloaded at http://wistatefair.com/competitions/junior-livestock/

An additional educational meeting has been scheduled for goat exhibitors: Goat Fitting Workshop at Fond du Lac Fairgrounds on June 17, 7 p.m. No need to pre-register. There will be a goat there to fit and show. If you have questions about this event, contact July Cooper at 920-948-4677.

The next webinar is for meat goat exhibitors on May 15th at the Manitowoc County Office Complex from 6 – 7:30 p.m. Please register with Ruth at 683-4168 by the 13th. Details for participating from your home can be found at http://fyi.uwex.edu/youthlivestock/programs/livestock-learning-webinar-series/.

The Wisconsin Junior Livestock Show Camp will be held June 14-15 at the Wisconsin State Fair Park. If you are interested in learning management skills and techniques, as well as fitting, showmanship and evaluation strategies, this camp is a must for your summer calendar. Top clinicians from across the Midwest will be hired for all three species. Parents are welcome to participate in this camp.

The early registration deadline is May 15; late registrations may be accepted if room is available. Get all the camp details at http://www.wisconsinlivestockbreeders.com/.

The flyer for June and July speed shows is attached. All horse lovers are invited to come to watch the events.

The flyer is on our website.
Outagamie County: 4-H Animal Swap on May 10th at the fairgrounds in Seymour. Contact Jeremy at 920-265-5322 or JTrost73@gmail.com for registration information.

SEEKING YOUTH FOR ARTS CAMP STAFF

Do you have a passion for drama, visual art, music, photography or communications? Do you enjoy teaching younger youth? If you’ll be in 9th - 12th grade in the fall, you could be part of the staff for the Arts Camp scheduled for October 4 & 5.

Youth are needed in the following areas:
  - Teaching Counselors - teach with team members an introduction to a specific arts area in an hour-long session. This session will be taught six times to approximately 15 youth each time.
- Activities Counselors - plan and organize free-time activities, along with a large-group activity for Saturday evening; lead a group of 15 campers to the different arts sessions.

The application forms can be found at http://www.uwex.edu/ces/4h/events/artscamp/index.cfm and the deadline is June 17.

The workshop includes:
- 2 building sessions
- Skill levels 1 and 2 rockets
- Launch (with larger demonstrations)
- Drag races, paint job and building competitions

Friends and family are welcome! If you have signed up for the Aerospace project, you can enter your rocket in the County Fair! If you have any questions, please email starssplitters4h@gmail.com. The registration form is attached and is due June 6th.

FAMILY, HOME & HEALTH

WHAT'S ON YOUR PLATE?

Parents and food project leaders will be interested in the new online food science curriculum. Discover the science behind the foods you eat with this collection of hands-on experiments you can eat.

Each unit contains activities for grades 5-12. Be sure to check out the tips and additional information in the Facilitator Guides. Go to http://www.4-h.org/resource-library/curriculum/food-science/ for the details.

MECHANICAL SCIENCES

ROCKETRY WORKSHOP

Join the Star Splitters 4-H Club in a fun program to build and launch your own model rocket! The build sessions will be on Wednesday, June 11, and Monday, June 16, from 6:00-8:30 p.m. at the Manitowoc County Office Complex. We will have the rocket kits available for pickup on those nights. The build sessions are not mandatory, but highly recommended for new builders. The launch day will be on Saturday, June 21 at 8:00 a.m.

The program is for ages 7 and up. Skill level 1 costs $7; level 2, $10. Additional motors may be available for purchase for extra launches. We will also be willing to launch your own rockets if you bring your own motors.

Kudos to the following youth for expanding their horizons by participating in these state and national events:

- Space Camp traveler: Wilhelm Schmid, Tannery Stars
- Participants who will be going on the American Spirit Trip: Caitlin Berge and Madeline Zutz from Rockland Sunshine, and Claire Cayemberg, Rachel Dietrich, and Ashley Lutzke from Clarks Mills Good Sports
- Delegates at the Wisconsin 4-H & Youth Conference in Madison this June: Marlee Meulemans from Clarks Mills Good Sports, Grace Palmer and Kaitlin Spindler from Rockland Sunshine, and Rosie Bermudez, chaperone
- Ben Palmer, from Rockland Sunshine, who will be part of the State Drama Company at the 4-H and Youth Conference

PINewood DERBY

The Pinewood Derby results are posted on our website at http://manitowoc.uwex.edu/.
GOODWIN EVER-READIES by Isabella Bennett

In March we collected laundry supplies to donate to the Domestic Violence center; also at the meeting we made ornaments for the fair. Members 11 and younger made 5 ornaments and the members 12 and older made reindeer ornaments. We are going roller skating in April, also taking a tour of the fire station. All of the kids are making a speech or doing a demonstration during one of the upcoming meetings.

PAWS ‘N’ PALS by Skylar Gengler

Our March meeting was held at the Manitowoc County Kennel Club. The club fundraisers were discussed. Skylar Gengler and Heather Haberland told about their experience at Madison for the 100 Years of 4-H. Several ideas were brought up on community service projects for the club. Members want to have a roller skating party or a bowling party. Club Leader, Trina Haberland, will find out costs and times available for these events.

PERFORMANCE POSSE by Kelsey Cigler

We finalized our showbill for the upcoming Open Speed Show. Garrett Lee presented an interesting research report on animals. We are working on getting our t-shirt design and will be able to order club shirts soon. We will do a horse project craft at our next meeting. 33 members will attend the 4-H Banquet. Please mark your calendar to attend our Open Speed Show at the Expo Grounds on June 15th.
